

UCL RESEARCH STUDY

Join the Minds in Motion study

Explore. Contribute. Earn £30.

What does space do to the mind? Help us find out inside a 4,000 m² UCL research facility.

Led by **Prof. Hugo Spiers**, **Dr Fiona Zisch** & **Prof. Sean Hanna**, with PhD students **Daniel Tang** & **James Moultrie** (UCL/Bartlett)

- ▶ Explore purpose-built architectural spaces at UCL PEARL, Dagenham
- ▶ No equipment worn — just walk, explore and reflect
- ▶ All adults 18+ welcome, no experience needed
- ▶ Your data helps design more equitable, inclusive spaces
